The Chairman praised the village caretakers who work very hard to keep the village clean and tidy and this is evident.

The Council has been involved with the Planning Application made by Tarmac and involved with members of ERASE to successfully bring about a planning refusal by Lancashire County Council, albeit, this may not be the end of the road.

A resident asked who has responsibility for speed restrictions such as humps, in particular, the proposed scheme proposed for Yew Tree Avenue and surrounding road, to see when it might be implemented. It was raised that a 20mph has been requested for this area and had been supported by the Police.
