Resolved: Leisure Committee minutes of 19 July 2007, were agreed to be accurate record of the meeting and signed by the Chairman.

4. Greenside

The area of land, which once was the kick-about area, is too uneven to play junior football on and would need pitch work. A quotation was obtained which was £950 for ploughing, leveling, seeding and rolling. A grant has been applied for but up to 10% may have to be paid if the grant is given.

Resolved: The Committee agreed if the grant was given to pay the 10% or if it were not accepted to pay for all of the work.

5. Millennium Green

Council was appraised of the offer from United Utilities of £8,000 for the Council to carry out the remedial works required following their pipeline works. A quotation for works had been obtained which was nearer £11,000. Councillors discussed if other remedial works may need to be done in the future, when they show up.

Resolved: The Committee agreed to respond to United Utilities that £8,000 wasn't enough to cover the work and to ask for this cost plus £3,000 for any future works which may arise.
