#### 3. Minutes of Council Meetings

**Resolved**: Minutes of the Council Meeting on 17 November 2016 were agreed to be an accurate record, and signed by the Chairman with the amendment that there were no public attending.

# 4. Statutory Business

Planning - considered applications in report from Lead Member for Planning.

Council was updated regarding the 16/00972/TPO – Land surrounding 89 Euxton Lane, Euxton application that the hedgerow would be planted right across the gap.

Resolved: Council agreed to send in letters for:

- 16/00858/TPO 16 Empressway object as not appear sufficient justification for removing a protected tree.
- 16/01079/TPO Greenside tree pruning recommend to the Bowling and Boules Committee to restrict pruning only to branches overhanging the proposed green and not to undertake the works until it is certain that construction of the green will go ahead.

The Development Control Committee had refused the Gladman application. The meeting at the Town Hall was well attended by residents and Councillors and Sue spoke for the residents and Cllr Riggott for the Council. Residents have spoken since about a Neighbourhood Plan. No request for expenses for the publicity have been received.

- 16/01114/TPO 9 Cherryfields no detail or description of the exact works to take place so no justification – send in a response to object because of lack of information
- 5. <u>Public Participation Residents and Police Matters</u>

**Resolved**: Council resolved to suspend standing orders.

Residents attended to inform the Council of the troubles of living around the Balshaw Lane Primary School and the possible problems the increasing of its intake may cause. There was a long discussion on this subject.

**Resolved**: Council resolved to restore standing orders.

Resolved: Council resolved to take item 9 next.

9. <u>Consultations</u> - Proposed expansion of Balshaw Lane Community Primary school

Councillors discussed this consultation at length.

A proposed response to the consultation was seconded:

Euxton Parish Council supports the much-needed additional places at Balshaw Lane Community Primary School. However, the current difficulties, for residents, pupils and road users, caused by parking associated with the school are already a matter of great concern for the Council and, unless suitable provision is made, these will only be exacerbated by the increase in school size.

The Council requests that the County Council addresses this specific topic as it develops the proposals for the school. When a planning application is submitted, in due course, it should include discussion of the parking issues and contain measures to address the existing situation and any additional parking attributable to the expansion. The Council notes that a large area between the school and Balshaw Lane is little used by the school.

A counter proposal was seconded to use the wording above but adjust the first line to take out the word 'support' at this stage as this is a consultation.

The counter proposal was defeated 7 votes to 6.

The original proposal won 7 votes to 5.

Clerk to report to County the faded and missing double yellow lines/signs, the road surface problems and, to contact the School Safety Officer regarding the school using A boards.

#### 6. Financial Items

Cllr Platt declared a pecuniary interest in items forming part of agenda items 6.1 as a relative of an employee.

#### 6.2 Receive CIL report

Received.

#### 7. Studholme Bell Tax Investigation insurance cover

Councillors noted that its current insurance cover includes this element.

#### 8. Precept

Consider budgets and precept figures. Decide precept figure.

Councillors discussed each budget line and made adjustments where necessary, within these discussions it agreed to use CIL monies for the ROF lamp post project when it comes forward.

Council understood that the Tax Base figure to work out the exact precept and Council tax levy to residents had not been received from Chorley Council yet.

**Resolved**: Council agreed an average Band D Council Tax payment would be £35.14. Clerk will re-issue the completed precept budget to Councillors (see attached).

#### 10. Matters for information

The Bowling Committee updated that members had measured the area for the plans and ITT documents and discussed the sewer under the land and the proposal for doors and canopy on the pavilion building. A request to Chorley planning had been submitted regarding the building works and the response was that this was 'permitted development'. The sewer needed further investigation.

Personnel Committee reported that they had had a review meeting with the Clerk and agreed to have a review meeting at six months from the review. The Clerk had been working on Legionella and Lone Working documents, assisted by Cllr Jones. The Leisure Chair wished to thank Cllr E Jones for the work on the risk documents.

The Chairman declared the public part of the meeting closed.

| 23/12/2016<br>16/01160FUL       | Willow Field, Runshaw Lane Demolition of existing storage buildings and erection of bungalow and detached double garage.   | This appears to be a (very similar) revision of 16/00255/FUL for the same property. We should therefore make the same response:  EPC is content with the application provided that CBC is satisfied that it meets the CLP requirements for conversion of buildings in the green belt.  |

| 23/12/2016<br>16/01169/CTY      | Balshaw Lane Primary School, Bredon Ave Consultation from Lancashire County Council on an application for the expansion for admissions numbers including single storey extension, additional playground/car parking areas, fenced MUGA and temporary single storey double classroom. | This was discussed at the December meeting (in response to a formal notice of intent – not to the application which came after the meeting) and it was clear that residents and the Council had misgivings about this proposal and the lack of attention to the various issues in connection with parking and access that affect the local residential area. The application is currently due to be considered by LCC Development Control committee.  EPC response has been circulated and Council is invited to endorse or change it. |

| 06/01/2017<br>16/01184/FUL      | Pear Tree Farm, Pear Tree Lane Demolition of the existing farmhouse, barn, stables and store and the erection of 3 no. detached houses and associated garages | Like the nearby Gladman site, this site lies in the area safeguarded for future development needs. However, the EPC response to the proposal cannot simply re-state the response (of prematurity) to Gladman. EPC could not, for example, have any concerns in principle with a proposal to develop this site with a single house of similar size to the one it replaces. There are CLP policies that deal with Replacement Buildings (HS6) and Conversion of Rural Buildings (HS9) in the Green Belt and Other Designated Rural Areas  These are not set down in full here but the proposal would not appear to meet the requirements of either of these policies. Until such time as it is developed, in accordance with a future CLP, the site therefore has similar protection and rules against development as the greenbelt.  Note that if this application was accepted the rural farm at present on site, albeit rather run down, would be replaced by a length of suburban housing, and there would be nothing to stop adjacent properties from doing the same.  Therefore suggest that we put in an objection to the proposal on the grounds that it is premature as the land is not yet allocated for development and it does not meet the requirements of policy HS6 which sets down the conditions for the provision of replacement dwellings in safeguarded land. Neither would it meet Policy HS9 for Conversion of Rural Buildings in the Green Belt and Other Designated Rural Areas. |

| 13/01/2016<br>17/00004/FULHH    | Oakfields, 197 Runshaw Lane Stables extension and conversion to ancillary accommodation | This is presented as, and may initially be intended as, "ancillary accommodation" (a Granny flat). However it involves increasing the size of the stable block by over 50% and would provide a freestanding, two bedroom house, with wet room and bathroom, garage and garage store. CLP policy HS9, would apply.  Policy HS9 requires all of 8 conditions to be met. Although this application would meet some of these conditions it does not appear to meet all Suggest that EPC should submit objection on the grounds that it does not meet the requirements of Policy HS9 |

#### Debra.

It comes from the Data Protection Act – personal details are not permitted to be divulged. However in the parish council world each cheque has to be authorised for payment by the council. It is permitted to record the payments as a total - a bit more difficult when there is only 1 employee. However this section sets out who has availability to the information – e.g. a member of the public would not be authorised to demand this information.

**Subject:** Source of a change in the Fin Regs

#### Hi there

This is an enquiry which I am unable to answer for my Council and I wondered if someone knew the source - if not, if you could ask what the reason/source was to include it into the new FinRegs, so I might explain to my Council why it was included.

The template Financial Regulations (attached) now contains a clause 7.4, on page 12, copied below.

- 7.4 Each and every payment to employees of net salary and to the appropriate creditor of the statutory and discretionary deductions shall be recorded in a separate confidential record (confidential cash book). This confidential record is not open to inspection or review (under the Freedom of Information Act 2000 or otherwise) other than:
  - 1. by any councillor who can demonstrate a need to know;
  - 2. by the internal auditor;
  - 3. by the external auditor; or

#### 7. <u>Financial Regulations</u>

The Personnel Committee would like to recommend a change to point 7.4 in the Financial Regulations.

To enable Councillors to be knowledgeable of staff costs, the new clause could read:

- 7.4 Each and every payment to employees of net salary and to the appropriate creditor of the statutory and discretionary deductions shall be recorded in a separate confidential record (confidential cash book). This confidential record is not open to inspection or review (under the Freedom of Information Act 2000 or otherwise) other than:
- a) by any Councillors who can demonstrate a need to know;
- b) by the internal auditor;
- c) by the external auditor; or
- d) by any person authorised under Audit Commission Act 1998, or any superseding legislation.

This was presented to the 20 October meeting, the meeting asked for clarification why this was included, and the response is above from LALC

## RBL ENQUIRY - FLYING THE UNION FLAG AT A WAR MEMORIAL

jmcnamara@britishlegion.org.uk 22/11/2016 09:38 To clerk@euxtoncouncil.org.uk Good Morning Debra,

Thank you for your recent enquiry to our Contact Centre with regards to flying the Union Flag at a War Memorial, which has been passed on to myself for response.

As discussed during our telephone conversation just moments ago, I can confirm that the same rules apply for flying the Union Flag at a War Memorial as they do for Government Buildings. As listed in our Ceremonial Handbook, there are 18 fixed dates each year on which the flag should be flown. On these dates, the Union Flag should be flown at full mast all day (which usually means from dawn till dusk).

In the meantime, I hope that the advice given above now answers your query.

Kind regards

#### Etiquette for flying the Union *flag* on Remembrance Day (Government buildings)

Remembrance Day (11/11) and Remembrance Sunday are both Union *flag* flying days at full mast. The Union *flag* should be flown during daylight hours between 8.00am and sunset.

The Union *flag* must always be flown in a 'superior' position, for example:

- on the highest flagpole
- on the centre flagpole, where there is an odd number of poles of the same height, or
- on the left-centre flagpole viewed from the front of the building, where there is an even number of the same height.

There are 18 fixed days each year where the Union *flag* should be flown on command of Her Majesty on Government buildings, along with certain variable date days. Visit the <u>College of Arms website</u> for more information. For this purpose, a Government building is generally accepted to mean a building owned or used by the Crown and predominately occupied, or used by civil servants, or Her Majesty's Armed Forces.

Dear Debra,

Thank you for your email.

War Memorials Trust is unable to advise on flags, as our focus is on the conservation and protection of war memorials. However, the Royal British Legion may be able to offer some guidance on this matter. The RBL's contact details can be found at <a href="https://www.britishlegion.org.uk/about-us/contact-us">www.britishlegion.org.uk/about-us/contact-us</a>.

If you have any questions, please don't hesitate to get in touch.

Kind regards,

Rachel

# REVIEW OF EFFECTIVENESS OF THE SYSTEM OF INTERNAL AUDIT Item 11

### Finance Working Group

The working group discussed the Internal Auditor and is happy to retain Mr Lawson's services (if he accepts).

The group would not be expecting the Internal Auditor to attend any council meetings. Any queries can be done by telephone or email if there are any.

The Internal Auditor has indicated he can do the Internal Audit for this financial year ending 31 March 2017

Recommendation from the Finance Working Group is to appoint Mr Lawson to the 2016/2017 Internal Auditor work.

#### **LONE WORKING POLICY**

#### 1. Introduction

The Council recognises that its employees are required to work by themselves for significant periods of time without close or direct supervision in the community, in isolated work areas and sometimes out of normal hours. The purpose of this policy is to protect such staff as far as is reasonably practicable from the risks of lone working.

The Council also recognises it has an obligation under the Health & Safety at Work Act 1974 (HSW Act) and the Management of Health & Safety at Work (MHSW) Regulations 1999, for the health, safety and welfare at work of its employees.

#### 2. Scope of the Policy

The policy applies to all situations involving lone working arising in connection with the duties and activities of the Council's employees.

#### 3. Definition of Lone Workers

The Health and Safety Executive defines lone workers as "those who work by themselves without close or direct supervision". This covers all of the Council's employees:

- the Clerk, and
- the Village Caretakers

All of whom are required to carry out their duties for all or part of their working day working in isolation.

#### 4. Aims of Policy

The aim of the policy is to:

- (a) increase staff awareness of safety issues relating to lone working;
- (b) ensure that the risk of lone working is assessed in a systematic and ongoing way, and that safe systems and methods of work are put in place to reduce the risk so far is reasonably practicable;
- (c) ensure that appropriate training is available to all staff in all areas that equips them to recognise risk and provides practical advice on safety when working alone;
- (d) ensure that appropriate support is available to staff who have to work alone;
- (e) encourage full reporting and recording of all adverse incidents relating to lone working.

#### 5. Responsibilities

#### 5.1 The Council

The Council will undertake to:

- ensuring that there are arrangements for identifying, evaluating and managing risk associated with lone working;
- providing resources for putting the policy into practice;
- ensuring that there are arrangements for monitoring incidents linked to lone working and that the Council regularly reviews the effectiveness of this policy;

- ensuring that all staff are aware of the policy;
- ensuring that risk assessments are carried out and reviewed regularly;
- putting procedures and safe systems of work into practice which are designed to eliminate or reduce the risks associated with working alone;
- ensuring that staff are given appropriate information, instruction and training;
- ensuring that appropriate support is given to staff involved in any incident; and
- managing the effectiveness of preventative measures through an effective system of reporting, investigating and recording incidents.

#### 5.2 Employees

Employees are responsible for:

- taking reasonable care of themselves and others affected by their actions;
- co-operating by following rules and procedures designed for safe working;
- reporting all incidents that may affect the health and safety of themselves or others and asking for guidance as appropriate;
- taking part in training designed to meet the requirements of the policy; and,
- reporting any dangers or potential dangers they identify or any concerns they might have in respect of working alone.

#### 6. Risk Assessment

Risk assessment is essential to good risk management.

Assessment will be carried out for and by all staff whose working practice makes them vulnerable. This includes staff that are site based but work in isolation as well as mobile staff whose work takes them out into the community. Recommendations will be made to eliminate or to reduce the risk to the lowest level reasonably practicable.

A lone workers' checklist will be completed (See Appendix 1). This will be used as a tool to identify if the existing control measures are adequate and if not, what modifications or additional actions can be considered necessary to help reduce the risks associated with lone working.

Once the checklist has been completed a risk assessment will be carried out and documented in a risk assessment form (See Appendix 2).

Risk assessments for site based lone workers will include:

- safe access and exit;
- risk of violence;
- safety of equipment for individual use;
- channels of communication in an emergency;
- site security;
- security arrangements i.e. alarm systems and response to personal alarms; and,
- level and adequacy of on/off site supervision

Risk assessments for mobile lone workers will, additionally, include:

- travelling between sites;
- reporting and recording arrangements; communication and traceability; and,
- personal safety/security.

Following completion of the Risk Assessment, consideration will be given to any appropriate action that is required.

### 7. Incident Reporting

An incident is defined as "an unplanned or uncontrolled event or sequence of events that has the potential to cause injury, ill health or damage".

In order to maintain an appropriate record of incidents involving lone workers it is essential that all incidents be reported to the Clerk who will prioritise each incident and identify any immediate action. Staff should ensure that all incidents where they feel threatened or 'unsafe' (even if this was not a tangible event/experience) are reported. This includes incidents of verbal abuse.

#### 8. Contacting/Involving the Police

The Council is committed to protecting staff from violence and assault and will support criminal proceedings against those who carry out assault. All staff are encouraged to report violent incidents to the police and will be supported by the Council throughout the process.

Except in cases of emergency, employees should inform the Clerk of any incident immediately. The Clerk will thereafter take responsibility for contacting the police to report the details of the incident.

#### 9. Support for Staff

Employees working for the Council should know that their safety comes first. Staff should be aware of how to deal with situations where they feel they are at risk, or unsafe. Staff should also be able to recognise how their own actions could influence or even trigger an aggressive response. The Clerk will ensure that all lone workers training needs are assessed and that they receive appropriate training.

# 10. Immediate Support Following a Violent Incident

In the event of a violent incident involving a lone worker, the Clerk will immediately ensure that the employee receives any necessary medical treatment and/or advice. If an incident occurs out of hours the Chairman of the Emergency Committee should be contacted.

The Clerk will also consider whether the employee needs specific information or assistance relating to legal or insurance aspects. The Clerk will also ensure appropriate written and verbal reporting of any violent incident.

## Lone Working Checklist Checklist completed by:

Date completed: Site:

#### Main Issues of Concern:

- Do staff work alone?
- Do staff work outside normal office hours?
- Do staff meet with members of the public in an isolated location?
- Is there enough security provision?
- Is there safe access to the building?
- Do staff activities involve working in confined spaces?
- Do staff activities involve handling dangerous substances?
- Do staff carry out work in high-risk locations (i.e. areas with high crime rates)?
- Do staff carry out work in isolated areas?

#### **Control Measures for Consideration:**

- Do you provide joint working for high-risk activities (i.e. in confined spaces and with dangerous substances)?
- Do you carry out regular supervisor or colleague checks during activities?
- Do you use entrance security systems (i.e. digital locks or swipe cards)?
- Is there security lighting around access points and parking areas?
- Have you installed panic buttons linked to manned locations?
- Do staff have information and training on basic personal safety?
- Are staff trained in strategies for preventing and managing violence?
- Do staff have access to forms for reporting incidents or near misses and appreciate the need for this procedure?
- Do you provide accompanied visits when there are concerns about safety?
- Do you share risk information with other agencies?
- Are there systems for monitoring staff whereabouts and movements for regularly reporting to base?
- Have you issued mobile phones?
- Have you issued personal attack alarms?
- Do staff carry forms for reporting incidents or near misses and appreciate the need for this procedure?

Are the existing control measures adequate? Yes/No
