

EUXTON PARISH COUNCIL

Meeting arrangements: Full Council Meeting

Thursday, 16 November 2017, 7.15 pm start

Annexe, Euxton PC Community Centre, Wigan Road, Euxton

A G E N D A

1. Apologies

2. Declarations of Interest and Dispensation Considerations

Members are reminded of their responsibility to declare any interest in respect of any matters contained or brought up at any point in this meeting, in accordance with the current Code of Conduct. Council will consider dispensation requests.

3. Minutes of Council Meetings

Council Minutes of the last meeting, approve their signing as a correct record (Item 3)

4. Statutory Business

Planning - Consider application list report from Lead Member for Planning, ratify responses made between meetings or to meet deadlines (Item 4).

5. Public Participation

Matters brought to the Parish Council by residents. Residents will have twenty minutes set aside during which each resident shall have three minutes.

6. Financial Items

6.1 Approve Expenditures (Item 6.1)

6.2 Receive financial reports (Item 6.2a Income, 6.2b Reconciliation, 6.2c Budgets)

6.3 Review decision of 19/01/17 to discontinue Petty Cash system

7. Committee and Working Group Updates

7.1 Leisure Committee meeting 14 November

Recommendation of the Leisure Committee for the ordering of the Greenside play equipment

7.2 CIL Working Group meeting 2 November (Item 7.2)

7.3 Other committee updates

8. Chorley Council Consultations

8.1 Funding for Chorley bus services (Item 8.1)

8.2 Street names for the Persimmon site Group 1 Euxton Lane (Item 8.2)

8.1 Street names for the Persimmon site H1B (Item 8.3)

9. Neighbourhood Working Projects

Projects to submit for consideration for the next round of approvals

10. Matters for information

Notify the Chair prior to the meeting start of any item to be brought up under this section. Only items of information, referral to another authority, or matters offered for consideration at a future meeting can be raised. No legal decisions can be taken.

Full Council meeting dates: 14 December 2017: 18 January 2018, 15 February 2018, 15 March 2018, 19 April 2018, 17 May 2018, 21 June 2018, 19 July 2018, 20 September 2018, 18 October 2018, 15 November 2018, December 2018.

Newsletter deadlines: 5 February 2018 for the March issue; 7 May 2018 for the June issue; 6 August 2018 for the September issue; 5 November 2018 for the December issue; 5 November 2018 for the December issue.

EUXTON PARISH COUNCIL MONTHLY PLANNING REPORT

16TH NOVEMBER 2017

DATE VALIDATED, APPLICATION NO,	LOCATION PROPOSAL	COMMENT/RECOMMENDATION
20/10/2017 17/01007/TPO	60 Firbank Cut back overhanging branches of oak tree by 4m (covered by TPO 1 (Euxton) 1971)	Standard letter
27/10/2017 17/00970/FUL	Barn at Bournes Farm, Runshaw Lane Demolition of a steel frame open sided former agricultural building, conversion of former agricultural building to a dwelling including construction of a two storey extension and associated external works.	With no great confidence this appears to me to be an acceptable proposal in the Green Belt when considered against the Chorley Local Plan. Rather than rely on my judgement I suggest we advise Chorley BC as follows: If the proposal is considered to be for an appropriate development in the Green Belt then EPC has no comment to make. However, if this is not the case then EPC objects to the proposal.
27/10/2017 17/01026/FULHH	27 Barnside Single Storey rear and front extensions	The front extension does not go beyond the current building line therefore no comment.
27/10/2017 17/00992/FUL	270 Wigan Road Change of access to the property, dropping the kerb and building new driveway to allow access to rear of property where garage is situated.	No comment.
27/10/2017 17/00945/FUL	The Bungalow, Dawbers Lane Change of use of the existing garage to provide an office / store and use of the associated land to store externally a maximum of 10 vehicles at any one time;	This property is on the south side of Dawbers Lane, opposite and east of The Elephant restaurant. The application appears to be intended to regularize the current use of the site for the internet sale of vans. There has apparently been some previous on-site selling but this is no longer the case according to the application. The vans for sale are screened from general view by a hedge. The property does not have any planning approvals for the selling of vehicles. The application seeks to secure the necessary approvals and “tidy up” the site to better separate business from house and improve storage of vehicles etc. Suggest the EPC should object to this proposal which is inappropriate development in the Green Belt and which would, if approved encourage other residential properties in the Green Belt to locate businesses in what should be garden or attached land areas.

EUXTON PARISH COUNCIL MONTHLY PLANNING REPORT

DATE VALIDATED, APPLICATION NO,	LOCATION PROPOSAL	COMMENT/RECOMMENDATION
03/11/2017 17/00947/DIS	Group 1, Buckshaw Application to discharge condition 13 (engineering, drainage, street lighting and constructional details of the streets) of reserved matters consent 16/00999/REMMAJ which was for the erection of 166 no. dwellings.	No comment
03/11/2017 17/01043/AGR	Wyndburgh, Runshaw lane Agricultural determination for a replacement agricultural building to be used for the storage of agricultural machinery	No comment
03/11/2017 17/01053/FULHH	35 Cotswold Avenue Side extension with front dormer	No comment
03/11/2017 17/01038/FUL	Gleadhill House Stud, Dawbers lane Erection of extension, horse walker, midden and extension to concrete hard surfacing (retrospective)	<p>The proposal does not have a major impact upon the Green Belt and may prove to be appropriate development within the Green Belt. The additional development is relatively minor when set alongside the adjacent buildings. However, what is irritating is that the applicant:</p> <ol style="list-style-type: none"> 1) did not seek planning approval for this development at least some of which might be a consequence of their recent application and approval for housing in Euxton's Green Belt, a development that was not welcomed by the Council or the local community and 2) now that the application is submitted they have not sought to justify development in the Green Belt 3) misled the planning officers and the Development Control Committee in their consideration of the controversial planning application for the nearby Gleadhill House in stating "The intention is to relocate the business and staff to an existing complex of barns and buildings in the same ownership approximately 200metres to the rear. The stud will utilise existing buildings resulting therefore in no new buildings" (taken from the amended Planning Statement submitted in Jan 2017) <p>The application should be refused and the applicant requested to take a less cavalier approach to Euxton's Green Belt.</p>

EUXTON PARISH COUNCIL MONTHLY PLANNING REPORT

DATE VALIDATED, APPLICATION NO,	LOCATION PROPOSAL	COMMENT/RECOMMENDATION
10/11/2017 17/01063/TPO	Land north of Hudson Drive, Buckshaw Village T1 - Mature oak requires crown lifting and reducing back of lower limbs to woodland edge, as it is encroaching towards the road. T2 - Mature oak requires the bottom snapped limb to be removed as this is causing an obstruction to the grass verge and Hudson Drive. T3 - Mature poplar requires deadwood removing and removal of the lowest limb, as it is too close to adjacent light column with signs of rot at the base. Also, second lowest limb requires reducing back away from light column and Hudson Drive.	Looks to be reasonable management of existing woodland alongside the highway by the Management Company (RMG) No comment
10/11/2017 17/00800/ADV	East Roundabout, Ordnance Road, Erection of a sponsorship sign on a roundabout	This and the one below are two of a number of applications made by LCC for sites throughout Chorley. This one is the roundabout outside the Tesco store near to the petrol station
10/11/2017 17/00799/ADV	Ordnance Road roundabout, Buckshaw Avenue	And this one is the roundabout outside the Harvester and Hungry Horse. No comment to either
10/11/2017 17/01062/FULHH	103 Euxton Lane Single storey side extension	No comment
10/11/2017 17/01070/PDE	4 Highways Avenue Notification of prior approval for a proposed single storey rear extension measuring 3.8m depth, with eaves height of 2.2m and a maximum height of 3.8m	No comment

CIL Working Group

The working group met and discussed and listed a number of ideas for future projects which might be funded from future CIL monies, this list is to be considered or added to, then passed to Committees to work on the projects:

APC	Allotments (explore new allocation on Pear Tree Fields estate and other locations)	APC	Sort nagging problems such as ginnels (example is Countessway/Balshaw flooding ginnel)
LC	Upgrade/extend Greenside pavilion	APC	Land at Chapel Brook dip, between river (s) and Church banking (n)
	Extend Community Centre/Village Hall	APC	Opposite CE Church, fence line on Wigan Road
	Youth group set up	APC	Brookside banking land
C	Yarrow Valley footpaths (extend and mend)	APC	Study on Euxton Identity/Centre and two prominent areas of Runshaw & Talbot ends
LC	Balshaw Lane Play area (wetpour surface)	APC	Garden area in front of Medical Centre explore lease or purchase to improve
LC	All weather ball court or MUGA		Balshaw Lane school pond (ask LCC if long lease possible)
LC	Southport Road shelter land (develop recreation provision to utilise area)	C	Milestone Meadow play area developments (push CBC for improvements and more facilities)
LC	Extension to the skate park on Southport Road	LC	Princessway land (push CBC for options to use land better suggested allotments)
LC	Land at Highways Avenue (presently classed as play area – suggestion Community Orchard)		

The members of the CIL group came up with all these areas in the village where CIL monies could be spent to improve or build more provision for residents where it has deficits ie, play space, open space, recreation space etc. Council are invited to add other items to the list.

This list is NOT in any order of importance or attainability – from the list a priority list should be ordered and research planned in to move some forward. Some are indicated for committees which seemed applicable.

Presently the Council has £47,176.18 of CIL monies against this ‘allocation’ decisions are:

FC20/07/17	Millennium Green Pond Project	20,000.00
FC13/12/16	Bowling Green Project	25,000.00

Remaining would be (after allocations, if spent) £2,176.18

CIL monies due in April 2018 is £129,185 and October £40,385 = £169,571.

Also projected CIL monies on a new site are £50000 which may come in 2019 onwards.

So, a figure of £131,361 is the projected working figure from April 2018.

Date: 18 October 2017

Dear Chair

Re. Future funding of Chorley bus services

You will be aware that Chorley Council have been funding a number of bus routes across the borough to ensure that these services have continued to run for the benefit of local residents following budget cuts by the County Council in 2016 and a reduction in service provision across the county. Lancashire County Council has also provided support alongside Chorley Council to allow the continuation of the 109A/24A evening and weekend services within Chorley.

The routes have been retained as they provide an important transport link for many local residents and provide access to school, work and the town centre for many users. Town and Parish Council's play a very important role in the continuation of vital services and we are aware that some Councils have already been working hard to safeguard local services in their area.

A significant amount of work has been undertaken to establish a way in which the bus services currently funded might be delivered more cost effectively and sustainably as we move forward, including working with County Council transport consultants to develop new merged service routes.

The proposed future services to be delivered (in addition to those bus routes fully subsidised by LCC in Chorley) will be:

Service	Description	Cost (approximate)
109A/24A	Evening and Sunday services	£62,000
NEW 106 service	A combination of the existing 7C/6A services to cover the areas of most need/ revenue along current routes	£77,000
TOTAL COST		£139,000

 01257 515151

 chorley.gov.uk

An overview of each of the routes can be found at appendix A and more detail can be supplied if necessary. The total cost of funding the future services will be approximately £139,000 per year.

Arrangements for future funding of the services have been discussed by both Chorley and Lancashire County Council, with the new Administration at Lancashire County Council significantly increasing the contribution from in the old arrangements c£18,500 to a new offer of c£55,600 of support (the maximum LCC can under the public transport policy).

However, whilst this represents a large reduction in the Borough Council's share of the costs, it is still not sustainable for the Borough to be paying more than 50%. It is therefore proposed that the cost of the services is also shared with Parish Councils along the bus routes as outlined below:

Authority	% share	Cost
Lancashire County Council	40%	£55,600
Chorley Council	50%	£69,500
Parish Councils along routes	10%	£13,900

You will see from the table above that it is proposed that Parishes along the routes contribute towards 10% of the future cost of the services, equating to approximately £13,900 per year. It is proposed that this cost is split out amongst the relevant Parishes and is weighted dependent on their tax base to ensure that any contributions are fair and appropriate.

More detail on proposed contributions can be found at appendix B.

We are writing to you as your Parish has been identified as benefitting from one of the bus routes identified above and we would like to understand your views on the potential contributions outlined and how you might plan to fund this. This may be through Council precepts or through the usage of additional funds such as those associated with the Community Infrastructure Levy.

Could we please ask that you provide a response to the proposals via email to sarah.ashcroft@chorley.gov.uk by no later than **5pm Friday 10 November 2017** to support decision making on this matter.

We look forward to hearing your views on the above proposals.

Kind regards

Councillor Alistair Bradley

3 November 2017

Cllr A Bradley
Chorley Council
Town Hall
Chorley

Dear Cllr Bradley

Future funding of Chorley bus services

In response to your letter of this subject, received by Council on 19th October 2017.

Euxton Council meets next on 16th November and this item will be on the agenda to be discussed fully and a second response may be sent in following that meeting. In the short-term the information was circulated to Council members for their observations.

Legal advice sought by the Parish Council indicates there are no legal powers which would allow it to assist in funding this type of bus service.

Yours sincerely

Debra Platt
