

Within Euxton Borders a news sheet, for residents by **EUXTON PARISH COUNCIL**

December 2015, Issue 63

Chairman's Column

Welcome to the December 2015 issue of the Euxton Web which again is full of news and events from in and around Euxton.

By the time this issue has been published and distributed the first Remembrance Sunday Service will have been held

at the new Euxton War Memorial, after the well attended Dedication Day earlier in the summer.

With the nights now drawing in and Christmas just a few weeks away, just a reminder that as usual there will be an early evening singing around the Christmas Tree with a hot drink and mincepies after in the Community Centre, more details below, all welcome.

The Councillor surgeries continue through to end of December 2015 at the Library, all dates and times are displayed on the Notice Boards around Euxton and at the Library. The Council recently approved the updating of the Web Site and this should be up and fully completed by the New Year.

Finally my thanks to all the Parish Council Employees and fellow Councillors for their work and contributions over the past year, I wish them and yourselves the residents a very Merry Christmas and a Happy New Year.

Councillor Katrina Reed
Chairman

Village Competitions

The village was entered again this year into 'The Lancashire Best Kept Village' competition and the 'North West In Bloom' competition, run by Britain in Bloom.

Chairman, Katrina Reed picked up the Silver Gilt Award from the North West In Bloom awards ceremony on the 30 October.

In the Lancashire Best Kept Village Competition the village was required to divide into two entries, as the competition does not judge areas over a population of 8,500. So this year we split in to Euxton East and West.

Euxton West was placed 3rd out of 14 entering villages and Euxton East was 5th. Also Buckshaw Retirement Village was Highly Commended in the Residential/ Nursing Home section.

Well done Euxton.

Join us for Christmas Carols

Come and join us in singing Christmas Carols around the Christmas tree with Coppull & Standish Brass Band and followed with hot drinks and mince pies in the Community Centre.

Wednesday, 16th December at 7pm by the Christmas Tree in front of the Community Centre, Wigan Road by Papa Luigis.

Euxton Parish Council would like to thank Mr & Mrs Winrow of Aysgarth, Washington Lane for donating the Christmas Tree, also Cllr John Bamber and the Village Caretakers for volunteering to cut down and transport the tree to the community centre. As the tree has been donated, saving money, the Council has been able to buy new, multi-coloured lights for the tree - so come on down to sing with us and see the new lights.

Website

Since our update in the June edition of Euxton WEB, the All Purposes Committee has been working hard on the development of a new website for the Parish Council.

The Communications Working Group received a presentation from a website designer who has produced a large number of websites for Parish Councils and similar organisations, and the Working Group, with support from the Clerk, mapped out what we thought should be included in a new website. Following the scrutiny of existing websites already developed by interested parties and considering the price and package offered, a contractor was appointed.

The Working Group is now finalising the information to be included and would like to ask that any residents that would like to contribute to the website, especially on the 'About Euxton' or 'History of Euxton' sections, to please get in touch via a Councillor or the Parish Clerk. .

Bag Competition Winner

Whilst on honeymoon in Malaysia, John and Charlotte Sweeting took this photograph in front of the Batu Caves in Kuala Lumpur - WOW, pretty impressive.

They win the prize for entering the photo competition of a £25 One4All Gift Card.

The competition opened on Euxton Gala Day to launch the Council's new Facebook and Twitter accounts as new methods to communicate with residents.

Another, very artistic entry we have put in the newsletter header on the front page, which was taken in Humberston NE Lincolnshire.

Crafty Visit

Euxton Library Coffee morning on the 5th November was very well attended and the subject was "Crafts with Evie Jones". See all the library's events on page 6.

Health Walks

Following the article in the September newsletter, and appeal by Euxton Library many people came forward interested in having an 'Euxton Health Walk'.

The first Euxton Health Walk took place on Friday, 23rd October. Debra Platt liaised with Chorley Council to get the walk off the ground and about 25 walkers, of all ages, assembled at Euxton Library for the 2pm start.

It was a walk with a difference however, in that we were led by Sid Calderbank, the local Lancashire dialect raconteur, who treated us to poems and a song along the way.

Sid whetted our appetite with a poem prior to leaving the library and then we walked along Wigan Road to St Mary's Church and the entrance to Ransnap Woods. We paused there while Sid gave us another poem and invited volunteers from the walkers to recite a verse or two! We walked through the woods listening to another poem and a song from Sid, arriving back at the library about 3 pm.

On returning to the library refreshments were available and the general consensus from all the walkers was that the walk was a great success and highly entertaining.

The walks are scheduled to take place on the fourth Friday of every month, the next one being Friday, 27th November, which, as it happens, is Lancashire Day. Kath at the library has promised us, in addition to tea and biscuits, Chorley cakes and Lancashire cheese to celebrate.

All are welcome and it should be "a reet good do".

Councillor Profile - Simon Wellerd

I have served on Euxton Parish Council for almost twenty five years, and have been asked to bring my profile up to date.

Before I start I would like to mention the following Councillors who are no longer with us but gave many years of dedicated service to the Parish Council; Ena Montgomery MBE, Geoff Witts and Carole Cocking. Not only were they fellow Councillors but good friends as well.

I served under ten chairmen and was honoured to be elected Vice Chairman of the Council in 2000-01 during that year it gave me great pleasure to see the opening of the Millennium Green. Also during that year some of the men on the Council got together and dug up the stocks which were then moved and restored and can be seen at the Millennium Green. I was elected as Chairmen in the following year 2001-02 and began working on the first edition of the Footpath Walking Map for Euxton which was published in 2003.

In 2008 two teenagers came to address the Council about Euxton having its own skate board park. After many discussions the skate park project got underway and many young people of the village were consulted at almost every stage of the way.

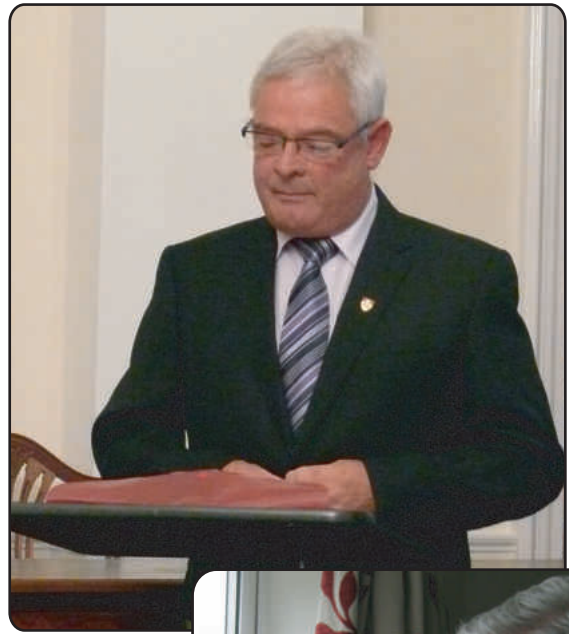

When I see families out enjoying the Millennium Green and young people having a great time on the skate park it serves to remind me of why I joined the Council all those years ago.

It has been a great honour to serve the good people of Euxton over the years, and all the proposals I have put forward and voted upon have been, I believe, to be in the best interest of the people of this village.

I look forward to the coming years on the Council and with new projects such as the Bowling Green, and learning how the Council can use Facebook and Twitter to communicate with a wider audience - it gives me much optimism for the future.

Best wishes to you all.

Councillor Profile - Eric Jones

I was born in Preston and I have lived in Euxton for over 55 years. After leaving school I started work as an Apprentice Electrician at the then Royal Ordnance Factory on Euxton Lane. Going on to a varied career which included management experience in the Maintenance Department and later as a Production & Operations Manager. Since being made redundant at the end of 2007, I have been employed as a Project Manager for a security company in Liverpool.

I would like to keep Euxton as a community where families can feel safe and enjoy life. I have a particular interest in the youth of the village, and it is here that I would like to improve the facilities that are provided for recreational use. The Skate park being an excellent example of what can be achieved with a little hard graft.

The first two Healthy Living Pharmacy's

The staff at Rimmers pharmacy in Euxton are jubilant! Their hard work has been rewarded as they are celebrating success as the second accredited Healthy Living Pharmacy in the Chorley and South Ribble Clinical Commissioning Group Area. If you are wondering which Pharmacy was the first then it was Rimmers Pharmacy in Buckshaw Village 3 days earlier.

Healthy Living Pharmacy is a quality standard that community pharmacies sign up to voluntarily for which they receive no payment, covering the standard of their premises, staff development and proactive engagement in public health.

In a Healthy Living Pharmacy the staff have all received extra training to help their local community to stay well. At least two members of the pharmacy team have qualified as Health Champions. The whole team pro-actively promotes a healthy lifestyle by taking or making opportunities to open conversations with customers, public health campaigns and signposting information for customers to the help they need.

The health champion (Jane) ensures the information to do this is readily available and up to date. The pharmacist leader steers the pharmacy team to achieve the accreditation and supports the necessary changes to make it happen. This also means that services provided in the pharmacy are conducted to a high standard.

Pharmacist and business owner Michael Rimmer said, "This is a real feather in our cap and serves as an indication of how we work as a Pharmacy and the hard work done on a day to day basis.

This is a huge accolade but also a reflection of what we do anyway as part of our working day. I feel the public are becoming more aware of what our Pharmacy has to offer particularly with the problems the NHS is facing with regard to accessibility to the patient.

An example would be that we can now provide Flu Vaccinations without appointment and actually at the convenience of patients and on demand. This means that it can fit in with patients' daily routine without the need to make an appointment or join an endless queue."

Sid Says...

"Some say Chorlah's a sleepy tahn,
But I know a twothree that it's ta'n
dahn,

For when they like, yo' cpn bet yore
crahn,

They're wakken enoof i' Chorlah.

There's pratty country rahnd it, too,
Green fields an' lanes to ramble
through,

An' what a gradely, bonny view
Fro' th' top o' th' Nab at Chorlah!

So wrote Charles Allen Clarke (Teddy Ashton) of Bolton a hundred years ago, but where's the old dialect gone today? Where's the homely warmth of words like "gradely, jannock, powfagged, gloppent?" Well, they're alive and well and living in Euxton library every Monday morning. Hosted by Euxton's own dialect performer Sid Calderbank our Dialect Reading Circle runs from 10.30 - 11.30 and it's FREE.

As Sid says, "the old dialect was written for public performance, it should be read aloud and shared in the home, church hall or public house - it's easier to do that way and a lot more fun. The texts I choose are mainly Victorian and local, poems and stories from Rochdale, Oldham, Blackburn, Blackpool and Manchester. And how many Euxton residents remember Robert Rowe's "Cracks from a Cobbler's Seat", a series of dialect tales written in the village around 1888. They come out regularly as well!"

So pop in any Monday morning, join in and have a go if you want or just sit and listen or come on our monthly dialect poetry Health Walk "Rhyming along the Ransnap!"
