

# Nature & Recycling go hand in hand giveaway

Euxton Parish Council's All Purposes Committee has been busy recently, coming up with ECO ideas for helping the village and residents to recycle and look after our natural world.

But Council needs your help so is offering our younger residents a challenge to write/email in to the Council their inventive, tried and tested, or favourite methods of recycling - anything! Council wants to know your ideas for how we can recycle household items, found items, rubbish items into useful tools or how to re-use items in a new way.

If yours is one of first 50 entries received, you will receive one of the giveaways: Bird box, Bat box, Insect house or Bird feeder for your garden – these are in kit form, to be constructed, decorated and used at home to encourage wildlife in to your own gardens.

**BIRD BOX**

**INSECT HOUSE**

**BAT BOX**

**BIRD FEEDER**

To enter use the form provided below.

Rules: entrants must be primary school age and live in Euxton  
this is not a competition but a giveaway the first 50 entries  
will receive one of the above items
